\* When a USB memory device is composed of two or more drives, only one of the drives will be detected.  
 \* USB memory devices with security functions cannot be played.  
 \* Do not connect your iPod directly to Clarion products with USB slot - special adapter (sold separately) required for iPod connection. Please refer to "iPod connecting list" in page 17.  
 For more detail information concerning connecting availability of USB slot, please refer to our website at www.clarion.com.  
 \* Playback is not available with some USB devices depending on the type and configuration.
