Subject:

VRX925VD / VRX935VD Sirius Satellite ESN

Description:

Accessing the ESN (Electronic Serial Number) for the Sirius Satellite receiver on the VRX925VD or VRX935VD.

Accessing the ESN:

1. Verify all connections for the VRX925VD or VRX935VD are correct and complete.
2. Turn ON the VRX925VD or VRX935VD.
3. Press the "OPEN" button to expose the monitor.
4. Press the "ADJ" button. (If the Sirius receiver is properly installed, SIRIUS will be displayed in white on the upper right hand corner.)
5. Tap the "SIRIUS" icon on the monitor. The ESN will appear on the screen.
