**Announcement Concerning the Results of the Tender Offer for Shares of the Company
by Hennape Six SAS (Subsidiary of Faurecia) and Changes in the Parent Company and
the Largest Shareholder among the Major Shareholders**

Clarion Co., Ltd. (the “Company”) hereby announces that the tender offer (the “Tender Offer”) targeting the stock of the Company (the “Company Shares”), which had been conducted since January 30, 2019 by Hennape Six SAS (the “Offeror”), which is a subsidiary of Faurecia S.E., was completed on February 28, 2019.

The Company also hereby announces that on March 7, 2019, the parent company and the largest shareholder among the major shareholders of the Company will change as a result of the Tender Offer.

1. Results of the Tender Offer

Today, the Company received a report from the Offeror on the results of the Tender Offer, as set out in the attached “Announcement of Results of Tender Offer for Common Shares of Clarion Co., Ltd. (Code: 6796)”.

The Tender Offer is now complete, since the total number of shares tendered in the Tender Offer exceeded the minimum threshold of shares.

2. Changes to the Parent Company and the Largest Shareholder among the Major Shareholders

(1) Scheduled date of change

(2) Background to the change

The Offeror made an announcement on January 29, 2019 to conduct the Tender Offer, and the Company resolved at a meeting of the board of directors held on the same day to express an opinion supporting the Tender Offer and recommend the shareholders of the Company to tender their shares in the Tender Offer. As a result, because the ratio of voting rights held by the Offeror to the voting rights held by all shareholders of the Company will exceed fifty percent on March 7, 2019 (the commencement date of settlement for the Tender Offer) upon the settlement of the Tender Offer, the Offeror will newly become the parent company and the largest shareholder among the major shareholders of the Company.

(Securities Code: 6796, First Section of Tokyo Stock Exchange) (the "**Target Company**") since January 30, 2019. The Tender Offer ended on February 28, 2019 and we are now announcing its results below.

1. Overview of the Tender Offer

(1) Name and address of the Tender Offeror

Name: Hennape Six SAS

Address: 23-27 avenue des Champs Pierreux, 92000 Nanterre, France

(2) Name of the Target Company

Clarion Co., Ltd.

(3) Type of shares to be purchased

Common stock

(4) Number of shares to be purchased

Number of shares to be purchased	Minimum number of shares to be purchased	Maximum number of shares to be purchased
56,361,277 shares	37,574,200 shares	N/A

(Note 1) If the total number of the Target Company Shares tendered by shareholders in the Tender Offer (the "**Tendered Shares**") is less than the minimum number of shares to be purchased in the Tender Offer (37,574,200 shares), then the Offeror will not purchase any of the Tendered Shares. If the total number of Tendered Shares is equal to or exceeds the minimum threshold of 37,574,200 shares, the Offeror will purchase all of the Tendered Shares. The minimum number of shares to be purchased in the Tender Offer (37,574,200 shares) has been calculated by multiplying two-thirds (375,742) of the number of voting rights (563,612) corresponding to the number of shares (56,361,277 shares) obtained by the total number of outstanding Target Company Shares (56,548,837 shares) as of December 31, 2018 (as stated in Consolidated Financial Results for the Third Quarter of Financial Year Ending March 31, 2019 [IFRS] of the Target Company announced on January 29, 2019 (the "**Target Company 3Q2019 Financial Information**")) minus number of treasury shares (187,560 shares) as of the same date, by 100, the number of shares of the Target Company per unit.

(Note 2) Shares of less than one unit (the Target Company changed the number of shares comprising one unit from 1,000 to 100 with effect from October 1, 2018) are also subject to the Tender Offer. If any shareholder exercises the right to request a sale of shares of

less than one unit pursuant to the Companies Act, the Target Company may purchase its own shares in the legally prescribed manner during the tender offer period.

(Note 3) The Offeror does not plan to acquire the Target Company's treasury shares through the Tender Offer.

(Note 4) The Offeror has not set a maximum number of shares to be purchased in the Tender Offer. Accordingly, the "number of shares to be acquired" box shows the maximum number of Target Company Shares to be acquired through the Tender Offer (56,361,277 shares). The maximum number (56,361,277 shares) is equal to the total number of the outstanding Target Company Shares (56,548,837 shares) as of December 31, 2018 described in the Target Company 3Q2019 Financial Information minus the number of treasury shares as of the same date (187,560 shares).

From January 30, 2019 (Wednesday), to February 28, 2019 (Thursday) (21 business days)

(ii) Possibility of Extension at the Target Company's Request

If the position statement which demands expansion of the term of the Tender Offer from the Target Company had been submitted under Article 27-10, Paragraph 3 of the Act, the term of the Tender Offer would have been until March 13, 2019 (Wednesday) (for 30 business days), but no such position statement was submitted.

(6) Tender offer price

2. Results of the Tender Offer

In the Tender Offer, the Offeror set the condition that the Offeror would not purchase any of the Tendered Shares if the total number of the Tendered Shares was less than the minimum number of shares to be purchased in the Tender Offer (37,574,200 shares). Because the total number of Tendered Shares (53,699,041 shares) is equal to or more than the minimum number of shares to be purchased (37,574,200 shares), the Offeror will purchase all of the Tendered Shares as stated in the notice of commencement of tender offer and the tender offer registration statement.

(2) Date of the public notice regarding the results of the Tender Offer and the name of the newspaper in which said public notice is published

Pursuant to Article 27-13, Paragraph 1 of the Act, the results of the Tender Offer were announced to the press at the Tokyo Stock Exchange on March 1, 2019 in the manner provided under Article 9-4 of the Order for Enforcement of the Financial Instruments and Exchange Act (Act No. 321 of 1965, as amended) and Article 30-2 of the Cabinet Office Ordinance on Disclosure Required for Tender Offer for Share Certificates, etc. by Person Other than Issuer (Ministry of Finance Order No. 38 of 1990, as amended).

However, because the shares of less than one unit are also subject to the Tender Offer, the "percentage of shares held after the acquisition" are calculated by setting as the denominator the number of voting rights (563,612) attaching to the number of Target Company Shares (56,361,277 shares) obtained by deducting number of the treasury shares as of December 31, 2018 described in the Target Company 3Q2019 Financial Information (187,560 shares) from the total number of the outstanding Target Company Shares as of same date described in the Target Company Third Quarterly Report (56,548,837 shares).
