Stainless Steel Chassis for Durability Behind the Scenes

Engineered with Multiple Source Compatibility & Maximum Durability

Salt water is a marine source unit's worst enemy. But, don't worry, the M704 is IP66 tested and certified to provide you the best in water intrusion and salt water protection in its class. You can enjoy listening to a variety of sources including your Smartphone. Marine Dual Zone even lets two areas in your vessel enjoy two different sources. And, with the large icon-based user interface, operation is a breeze.
